23 August online / Skype +++ 29 August offline / Mannheim**

Dear Toastmasters,

learn more about the activities of a Toastmasters' Club, the different roles of the Club Officers and the Club Distinguished Program! Furthermore a presentation about "Pathways" provides an insight into Toastmasters' new education program. All these issues will be covered at our Area F2 Officers Training on 29 August! Our fellow Toastmasters from John Deere welcome us at their place in Mannheim for a 3 hours training session. Especially if your Club hasn't trained 4 officers yet you seriously should think to participate! Please be so kind and provide your personal details to Mollie Franke so that a site ID card can be prepared for you (more information separately).

Besides there is a chance to attend an online Skype training session held by Area F5 Director Dominique Lutzke, 23 August, 19:00. If interested please contact her by e-mail [dlutzke\[at\]hotmail.com](mailto:dlutzke[at]hotmail.com) or through easy-speak <https://tmclub.eu/profile.php?mode=viewprofile&u=18966>.

With best wishes
