John Deere Germany Toastmasters,
Ramstein Speech Pros

Club Officers Trainings: Get important information to manage your club and receive valuable points for the DCP
26 February online / Skype +++ 28 February offline / Mannheim

Dear Toastmasters,

learn more about the **activities** of a Toastmasters' Club – how to manage your club successfully and how to support members. In a presentation about "**Pathways**" an update of Toastmasters' new education program will be given. All these issues will be covered at our Area F2 Officers Training on

Wed, 28 February, 2018, 16:00 – 19:00
John Deere Regional Center, Mannheim.

Our fellow Toastmasters from John Deere welcome us at their place for a 3 hours training session. Especially if your Club hasn't trained 4 officers yet you seriously should think to participate! Please be so kind and provide your personal details to Dieter Gawlick that a site ID card can be prepared for you (more information separately).

Besides there is a chance to attend an online training session of the District:

Mon, 26 February, 2018 19:00 - 22:30 CET

Please join the meeting from your computer, tablet or smartphone.
